In the event of default on the part of the owner or occupant of any lot in this Subdivision in observing any of the above requirements, seller may, without liability to the owner or occupant, in trespass or otherwise, enter upon said lot, cut or cause to be cut such weeds and grass and remove or cause to be removed such garbage, trash, rubbish, etc., so as to place said lot in a neat, attractive, healthful and sanitary condition, and may bill either the owner or occupant of such for the cost of such work. The owner or occupant, as the case may be, agrees by the purchase or occupation of any lot in this Subdivision to pay such invoice immediately upon receipt thereof.

12. SIGNS: No sign, advertisement, billboard, or advertising structure of any kind may be erected or maintained on any residential lot without the consent, in writing, of the Architectural Control Committee. The general public is specifically excluded from park areas.

15. WATER WELLS AND MINERAL EXPLORATION: No water wells shall be permitted on any residential lot in the Subdivision. Mineral exploration or production on any residential lot within the Subdivision is likewise prohibited.

16. MAINTENANCE CHARGE: Each lot as set forth as residential lots on the aforementioned map or plat of this Subdivision shall be subject to an annual maintenance fund assessment of \$12.00 per year, the same to be secured by a Vendor's Lien upon each of said lots, and payable annually on the first day of October of each year. Lots owned by the developer are not subject to a maintenance charge. Said fund is to be collected, administered and disbursed by the officers of Glen Haven Estates, Inc., until 80% of all lots in said Subdivision are sold, including this section and all subsequent sections at which time said fund shall be turned over to three resident property owners of said Subdivision to be designated by the officers of said corporation as the Board of Trustees of the Glen Haven Estates Property Owners Association. Said association shall be comprised of all property owners of the Subdivision.

The Trustees so designated shall be entitled to hold office until their successors have been elected by a vote of the majority of the property owners within said Subdivision and thereafter, the Board of Trustees shall be elected annually by the vote of the majority of the members of said association. Said association may incorporate under the Texas Nonprofit Corporation Act to carry out the duties, obligations and purposes herein vested in the Board of Trustees and such maintenance fund shall be collected, administered and disbursed by the duly authorized officers and directors of such corporation, in accordance with the duly adopted Articles of Incorporation and bylaws thereof.

The annual maintenance charge authorized under this paragraph may be adjusted from year to year by the officers of Glen Haven Estates, Inc., or their successors, whoever shall be charged with the collecting, administering and disbursing of such fund, as the needs of the property may, in their judgment, require, but in no event shall such charge ever exceed \$12.00 per lot per year unless raised by the vote of the owners of 75% of the lot owners within said Subdivision.

This fund shall be used, as far as the same will go, towards safety and/or health projects; developing, improving and maintaining recreational areas; maintaining streets and rights of way; providing various services to lot owners; and in general for any and all purposes which developers may consider to be of general benefit or useful to the lot owners.

For the purposes of this paragraph each property owner shall be entitled to one vote for each lot owned within the Subdivision. When, as, and if other sections of Glen Haven Estates are developed and a maintenance charge collected from the lots therein, then the maintenance fund composed of charges collected from the several owners of the several sections shall be collected, administered and disbursed in common for the joint benefit of all the property owners in the respective sections. Such maintenance charge shall in any event extend for a period of twenty-five years from January 1, 1967, and shall be extended automatically for successive periods of ten years unless the then owners of the majority of the lots in said Subdivision paying such charge vote to discontinue such charge, such action to be evidenced by written instrument signed and acknowledged by the owners of the majority of the lots within the Subdivision and recorded in the Deed Records of Trinity County, Texas.

17. AMENDING RESTRICTIONS: All covenants and restrictions are for the benefit of the entire Subdivision and shall be binding upon each purchaser, his successors, heirs or assigns. Invalidation of any one of the covenants or restrictions by judgment of any court shall in no way affect any of the other provisions which remain in full force and effect.

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years from the date these covenants are recorded with the County Clerk of Trinity County, Texas, after which they shall be extended automatically for successive periods of ten (10) years unless an instrument signed by the majority of the then owners of the lots has been recorded prior to the expiration date or any successive expiration date, by which said property owners agree to discontinue and annul said covenants upon their expiration; provided, however, at any time after Glen Haven Estates, Inc., shall have sold 80% of the lots in this Subdivision, any or all of the covenants therein may be annulled, amended or modified by the vote of two thirds of the lot owners of said Subdivision upon the recommendation of the Architectural Control Committee. All of such lot owners shall be given thirty (30) days notice in writing of any proposed amendment before the same is adopted. The person or persons requesting the amendment shall bear all the expenses of such amendment and in no event shall any amendment place an additional burden or restriction on a particular lot or lots in the Subdivision where the owner of such lot or lots does not join in such amendment.

For the purpose of this Paragraph 17, each property owner shall be entitled to one vote for each lot owned within the Subdivision.

The enforcement of these covenants and restrictions shall be by proceedings at law or in equity against any person or persons violating or attempting to violate same, either to restrain such violation or proposed violation, or to recover damages.
